About Volto

Founded in 2010, our goal was to design an electric bike for every day usage at an affordable price.

Designed in New Zealand, produced in China under our Quality Control standards we make sure that our bikes are reliable, but still affordable.

Hundreds of happy customers speak for themselves. Have a look on www.volto.co.nz under testimonials.

Warranty

We provide a 24 months warranty on battery and motor, plus a 5 year warranty on the frame. All parts except wear and tear items come with a full replacement 12 month warranty. Wear and tear items include and are not limited to: Brake pads, Brake shoes, tyres, handle grips, pedals plus any other items considered as "wear and tear attributing".

For commercial usage the warranty on all parts is limited to 6 months.

Spare Parts

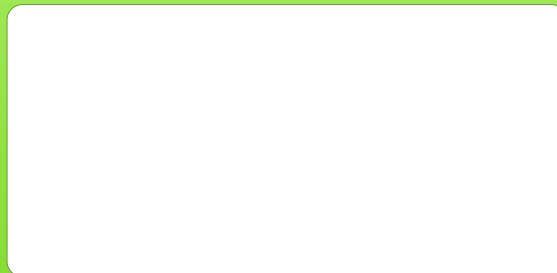

We stock all spare parts, which can be purchased through your retailer or online.

Colours

The choice is yours! Select out of six different exiting metallic colours your favourite. Please note that the availability can depend on the current production batch. The reproduction of our pearl paints cannot be 100% matched in this brochure.
